An Appeal

The Ramakrishna Mission TB Sanatorium, Tupudana, Ranchi, Jharkhand, a branch centre of Ramakrishna Math & Ramakrishna Mission at Belur Math, has been rendering medical services, since its inception in 1951, for the under privileged, tribal, needy suffering souls at large from Bihar, Jharkhand & the neighboring states. **In meeting the pressing need of the basic education for the children of its employees as well as those of the poor, needy and tribal backward classes, a middle level Hindi medium school was started in 1964 by the centre.** Due to financial constraints to meet the recurring expenditure for running the school, Sanatorium earnestly appealed to the then Government of Bihar for financial support which had been acceded by them in providing the salaries & wages for the teachers of the school. However, over the years, the quality of education being provided in the school has been observed to be not as per our IDEALS, which was reflected in continuous downfall in total nos of student from more than 500 at the start to about 200 today. Hence, we earnestly appealed to Govt. of Jharkhand in handing over the school back to us **as a positive step towards uplifting the quality of education for the children guided by the ideals of Sri Ramakrishna and Swamiji** at par with the likes of most of the Ramakrishna Mission run schools in the country. Govt of Jharkhand consented and started withdrawal of their teachers form the school. The Sanatorium has posted required qualified teachers with its own resources.

We fervently need financial assistance from the different strata of the society to continue the services successfully. We solemnly appeal to all kind-hearted devotees, admirers and well-wishers of Ramakrishna Mission from inland as well as abroad to lay their kind helping hand by making generous donations for the noble cause of providing quality education for the children of the poor, the needy and backward classes.
